

CANCELLATION OF COMMERCIAL MARINE LICENSE AND REQUEST TO TERMINATE FISH REPORT REQUIREMENT FORM

If you cease commercial fishing before your Commercial Marine License expires, you may request to cancel it and terminate the Fish Reporting requirement by completing this cancellation form and submitting it to the Honolulu DLNR-DAR office.

This certifies that the commercial marine licensee will not continue commercial fishing before his/her Commercial Marine License expires and to cancel it effective as of the date affixed before the signature of the licensee below.

Further, the licensee requests to terminate the monthly fish report requirement effective as of the cancellation month. The licensee is still responsible to submit fish reports, which were required before the cancellation month, and may be referred to the Division of Conservation Resources Enforcement or served Civil Resources Violation System violation notices if this report requirement is not met.
